Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for JSU Campus Security Improvements in fiscal year 2024. The entity to receive funding for this project is Jacksonville State University, located at 700 Pelham Rd N, Jacksonville, Alabama 36265. The funding would be used for a camera security platform that will improve campus security.

The project is an appropriate use of taxpayer funds because it promotes the safety of a college campus that serves as critical infrastructure for a poor and rural district. The project has a Federal nexus because the funding provided is for purposes authorized by section 1701 (b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
